

Dear Pacific Giant Vegetable Growers Supporter,

Another exciting season is underway with our club members preparing to grow giant pumpkins and other massive vegetables in 2024.

Pacific Giant Vegetable Growers (PGVG) is an association of gardeners focused on the fun-filled, competitive hobby of growing obscenely large vegetables. As a community organization, we hope to encourage individuals and families to enjoy gardening together. Above all, we want the hobby of gardening and growing giant vegetables to be fulfilling, rewarding, and fun for everyone involved.

Many of our members have been recognized on the international stage of the Giant Pumpkin Commonwealth for breaking records in weight and size and working tirelessly to be great Master Gardeners. All this excitement is experienced by the public at one of our two Weigh-Offs, Bauman's and the Terminator, and at the West Coast Giant Pumpkin Regatta.

We are asking local businesses and/or individuals to sponsor PGVG at our 2024 club weigh-offs and giant pumpkin regatta race, totaling well over 25,000 in attendance. We have two exciting contribution tiers:

Tier 1: A contribution of \$500; your sponsorship will be recognized with:

- A 2'X3' banner with your business logo. Your banner will be hung next to our club table at the weigh-offs and pumpkin regatta.
- Your business logo will be displayed on our website at www.pgvg.org.

Tier 2: A contribution of \$750; your sponsorship will be recognized with:

- A Tier 1 banner and will have your business logo displayed on our website at www.pgvg.org.
- One entry into the Tualatin Pumpkin Regatta this year 2024, located at the Tualatin Commons Park (8325 SW Nyberg St, Tualatin, OR 97062). Learn more information about the regatta is online at www.tualatinoregon.gov/pumpkinregatta or check out the YouTube video of the [West Coast Giant Pumpkin Regatta](#) by Wild Travels.
- The PGVG club will provide you with a pumpkin to race in the regatta (as the sponsor you will need to assign a sponsor representative to row and should you want to decorate the pumpkin, you will have 20 mins before the race).

The Pacific Giant Vegetable Growers is ready to work with you and your business and show support for these unique and exciting events. To become a PGVG sponsor, please complete the Pacific Giant Vegetable Growers Sponsorship Form attached.

Thank you for your consideration,
